DIRECTOR OF THE U.S. MINT,

PHILADELPHIA, PENN.

DEAR SIR:--

I would like to have about \$200.00 in gold coined this year, bearing the date of 1895. I notice by the newspaper that the mint is running on gold coins. Can you consistently inform me as to the regulations in this matter. Could I obtain it by paying a slight premium or by paying the expressage to Chicago and in order to obtain it is it necessary to send other gold in exchange to the mint or would a New York or Chicago draft be good or could green backs be sent by express?

I thank you in advance for the information and enclose stamp for reply.

YOURS VERY TRULY, *J. W. Lowe.*
